About The Vereinigter CanAm Deutsch Kurzhaar Club (VCDKK)

Real world hunters that know the value of maintaining the unparalleled hunting capabilities of the versatile hunting Deutsch Kurzhaar, including hunters that are breeders, owners, and test judges expressed an interest in forming a Deutsch Kurzhaar club that would exclusively embrace the German performance based breeding system.

To that end a Deutsch Kurzhaar club was established in North America that exemplifies the spirit, intent, and letter of the German breeding and testing system for the purpose of perpetuating the purity of the worlds premier versatile hunting dog.

With the approval of the Deutsch-Kurzhaar Verband, e.V. (DKV) of Germany, in December of 2006 the *Vereinigter* [United] *CanAm Deutsch Kurzhaar Klub* (VCDKK) was established.
