

## “The Green Book” - Coming Soon!

Dear VCDKK Members,

In an effort to make the DKV testing and breeding rule book more user friendly we have completely reformatted it for use by VCDKK members and judges.

Some key format changes include:

- The size of the book will be 4.5” x 6.5” (identical to the JGHV rule books)
- Black section tabs have been added (similar to the VZPO rule book)
- The font is larger and easier to read
- Other minor changes include a place for member notes and owners name.
- We have also chosen a green tone for the cover so hence forth the book and be called: “The Green Book”.

The new rule book is currently at the printers and should be available to members soon.

The cost for VCDKK members will be \$10.00. Considering the time, effort and printing cost that’s a great deal.

Once the book is available you will be notified via email and orders will be taken.

Gary Fleming, VCDKK
